PROCEDURES FOR GOLFERS

We look forward to welcoming you to our Open Tournament. To ensure that the event can be run in the safest possible way, we would ask you to read the following information and adhere to the guidelines given below.

Edzell Golf Club has put in place stringent safety measures to ensure that all activity at the Club is consistent with the current guidance on health, physical distancing and hygiene. The staff on duty on the day are instructed to maintain hand hygiene throughout the day and to wear masks.

We request that all competitors adhere to the following guidelines:-

- If you are ill or have any symptoms of COVID-19, please stay at home.
- Aim to arrive at the Club no more than 15 minutes before your tee time.
- Change your shoes in the car park.

At the first tee

- The starter will give you the card of one of your playing partners which you will mark in the usual way. At the end of the round you will verbally agree the player's score and then sign the card as marker. You should then deposit the scorecard in the box provided.

- You may take a preferred lie (within 6") in a bunker.
