

# **WINTER COMPETITIONS**

## **WINTER COMPETITIONS 2020/21**

The Winter Saturday Stableford Sweep competitions will commence on Saturday, 7<sup>th</sup> November 2020 and will run until Saturday, 20<sup>th</sup> March 2021.

There will be a Stableford Sweep competition every Wednesday during the Winter season, commencing on Wednesday, 4<sup>th</sup> November 2020.

There will be a mandatory sweep charge of £2 for each competition.

*Due to the introduction of the World Handicap System, winter handicaps and scores cannot be carried out on the club computer systems and therefore the results will be calculated by hand.*

Stableford points must be recorded on the cards and agreed with the player before submitting card. Any cards calculated wrongly (or not calculated) will be ignored.

Sweep prizes will be awarded to first and second in each handicap section (0-12, 13-54).

The four prize winners will have their handicap reviewed and handicap changes will be emailed direct. Players who are first & second in each section will have their handicap reduced by 0.5 for every stableford point scored over 38 pts.

The remainder of the players will have no adjustment to their handicap regardless of their scores.

**ALL PLAYERS WILL COMMENCE THE WINTER SEASON WITH A WINTER HANDICAP EQUIVALENT TO THEIR SUMMER HANDICAP OF 31<sup>ST</sup> OCTOBER 2020.**

**When weather conditions dictate, winter greens will be in operation but, should a subsequent improvement in weather conditions occur, the green keeping staff will move pins to the main greens. It is accepted that there will be scoring anomalies.**
